1) The table include ratios available in official publications: Annual Report, Pillar 3 Disclosures or Financial Statements. Blank cells reflect those ratios not found or not published in official publications. URLs to the relevant banks' documents are included in the Excel version of the document.

2) The capital ratios follow the transitional provisions laid down in Articles 465 to 491 of Regulation (EU) No 575/2013 on prudential requirements for credit institutions and investment firms (CRR).

3) The leverage ratio as disclosed by the institutions following the Commission Implementing Regulation (EU) 2016/200 of 15 February 2016 laying down implementing technical standards with regard to disclosure of the leverage ratio for institutions, according to Regulation (EU) No 575/2013 of the European Parliament and of the Council.

4) The ratio of this subsidiaries are published, because the ratios for the financial holding companies on top are not publicly available.

5) The financial year-end of this entity is June. The ratios displayed refer to June 2015.

6) The leverage ratio for this institution is only publicly available at the branches of the bank.

7) The financial year-end of this entity is March. The ratios displayed refer to March 2015.

8) The financial year-end of this entity is September. The ratios displayed refer to September 2015.

9) The financial year-end of this entity is October. The ratios displayed refer to October 2015.
